Printmaking Project

	10	6
Detail/Neatness	The student included a lot of detail, used in a meaningful way.	The student did not include any details and meaning was lacking.
Printing Skill	The student made every effort to print the plate with just the right amount of ink.	There is either not enough ink or too much ink on the print.
Name, title & edition #	The student placed his/her name, title of the artwork and the edition number (1/1 if there was only 1 print) on the print.	The student did not place his/her name, title & edition number on the print..
Nice Paper	The plate was printed on thick, white paper, not newsprint.	The plate was printed on newsprint and handed in for a final grade.
