BACK

	Top Score - 10	Lowest Score - 6
Lines only on the outside	Smooth transition of shapes. At least 20 shapes are present.	No smooth transition of shapes. There are not enough shapes to make a pleasing composition – less than 10.
Alternating Black & White Shapes	Project is preplanned and done in a logical sequential manner. All shapes are alternating in color.	Control is lacking. More than 5 shapes do not alternate in color.
Craft	No pencil lines are showing. Black shapes are colored in thoroughly	Student needs to work on controlling coloring. More than 3 shapes are colored with little effort.
Time/Effort	Worked independently. Paid attention to teacher demonstrations. Cleaned up area when finished, expressed a positive attitude (no "I can't do this")	Did not work independently, left work area messy, continuously out of seat, expressed negative attitude ("I can't do this")
